There is a date stone in the barn, but it is not decipherable. However, the
mill outbuilding has a date stone reading C-M-J 1809.

NOTE: In 1956 Mr. Dornbusch published a follow-up article, "Pennsylvania
German Barns", in the Pennsylvania German Folklore Society, Vol. XXI.
This article includes an introduction, a large selection of photographs
of the barns representative of the different types, and a descriptive
text. It is highly recommended for research work.
